JC56Lb

Manual / Semi Automatic Peeler

The **JC56Lb** Manual Peeler is designed and manufactured by us here at JayCraft Food Machinery UK. It are suitable for peeling potatoes and carrots. The abrasive drum and plate peel the product leaving a smooth finish.

With its built in control panel for timed loading , peeling and discharge.

The JC 56Lb Manual Batch Peeler stands out from the rest as it is direct driven through drive belts eliminating the use of a gear box. Keeping the maintenance costs down to a minimum.
